**REG: N32351**

**£112,500.00**

Piper PA28-181 Warrior N32351 for sale with Helix Av. In the last few years this PA28 has had extensive work carried out to bring her up to the best standard, these include a bare metal respray in 2021 using zinc chromate primer, on top of this a new recent scheme has been applied making her very unique along with new leather seats, headliner and door cards. The major avionics upgraded included dual Aspen 1000's PFD/MFD, Avidyne 440 gps and an Avidyne Audio panel, all fitted into a new carbon fibre effect instrument panel.

Not only does this aircraft look great but it also benefits from a low time engine with only 230 hours, all AD's applied and extensive work carried out in the last few annuals including the wing spar AD. This is also fitted with the Knots2U Wingtip light lenses, Precise Flight including Pulselite system and Landing Recognition lights STC's.

Maintained under CAMO and can be exported onto the G reg, or delivered worldwide.
