

DIAMOND DA50 RG

REG: G-STUM

£975,000.00

Helix Av is excited to present this one-year-old Diamond DA50 RG G-STUM, with just 40 hours since leaving the factory – it's practically brand new. The DA50 RG is a remarkable aircraft that combines versatility, high performance and comfort. Featuring retractable landing gear, advanced avionics and a sleek aerodynamic design, it offers impressive speed, range and fuel efficiency. This aircraft is equipped with Garmin G1000NXi screens, Air Conditioning, Weather Radar, Garmin Connex GSR 56 Iridium Data Link, FIKI and more, meaning it's a perfect choice for IFR operations.

The 5 seat interior features premium leather upholstery with red stitching, while the exterior is finished in Diamond's stunning Premium Metallic Silver paint. If you have a different scheme in mind, Helix can apply your preferred design.

Uniform Mike will be sold with a fresh annual and ARC, we can also issue an Export C of A and arrange worldwide delivery. Viewings are available by appointment only at Helix Av's base at Manston Airport, where the aircraft has been hangared since new.
