

REG: G-NGLZ

£895,000.00

BELL 206 JET RANGER B3

Helix Av is proud to offer for sale this outstanding, low-time Bell 206B3 JetRanger, G-NGLZ. With just 1,898 total airframe hours since new, this aircraft represents a rare opportunity to own a Jet Ranger of this vintage in truly exceptional condition, both inside and out.

Lima Zulu has been meticulously maintained with no expense spared and very well looked after throughout its life. Combined with its exceptionally low hours, this makes it one of the finest examples currently on the market with great component times remaining eg 3000 hours remaining on the High Vis Main Rotor Blades.

It comes exceptionally well equipped, featuring a comprehensive avionics upgrade including the Garmin GTN 650, GTS 800 TCAS, GMA350 audio panel, GTX330 Mode S transponder, and Garmin radar altimeter. The airframe is fitted with the latest B3 enhancements including a C20J engine, high-capacity fuel tank, with the addition of air conditioning, DART heavy-duty landing gear, high-visibility main rotor blades, dual LED landing lights, rotor brake and a Davtron M800 chronometer.

Inside, the aircraft presents like new, with a cream leather interior, grey carpet and plastic floor protectors, a clear reflection of its light use and careful ownership.

G-NGLZ is a ready to go aircraft offering reliability, performance and top-tier presentation. With its low hours, modern avionics and high standard of care, it stands out as a truly premium example of the Bell 206B3.
