# BELL 505 JET RANGER X

This is a great opportunity to buy a new factory built in March 2023 Bell 505 with 202.1 hours.

The aircraft has been maintained to the highest standard, having been used as the UK Bell Demonstrator. Romeo Delta is like new with Phantom Grey metallic paint with a silver stripe, a two-tone grey leather interior, a full grey carpet including the baggage bay, and two leather cubby boxes for storage.

This 505 benefits from an extensive list of options including the HeliSAS 2-axis autopilot, second Garmin radio, rad alt and more.

Helix can provide export and shipping worldwide and carry out any upgrades.
